

## Message from MD

Krungsri Asset Management Co., Ltd. (“We”) realizes the importance of operation and management with honesty and transparency and are committed to perform our duty objectively, impartially and ethically. We adhere to the professional standard and the code of conduct without expecting consideration in accordance with the good governance principle. We have expressed such intention by participating in Thailand's Private Sector Collective Action Coalition and have established the Anti-corruption policy and guideline for strict compliance by all employees.

We are well aware that bribery and corruption bring injustice at work and cause damage to our economy and society. Therefore, we have established the Zero-Tolerance Policy against all briberies and corruptions and shall comply with all laws related to the anti-bribery and anti-corruption in Thailand.

We will never directly or indirectly be involved in bribery and corruption. We also have implemented efficient procedure to fight against such activities. We truly hope that our anti-bribery and anti-corruption policy will be beneficial to all of our stakeholders.
