

Vietnam Equity(UCITS)Fund

Factsheet – June 2025

Investment Team

Mai Vu
Portfolio Manager

Investment Objective

VEF provides investors with broad exposure to Vietnam's public equity markets and seeks medium to long-term capital appreciation through investing in companies in key sectors contributing to Vietnam's economic growth. The Investment Manager will invest in securities which are, in its opinion, undervalued or fairly valued but have good growth potential. VEF integrates ESG and sustainable practices into its investment approach and is classified as Article 8 under the EU Sustainable Finance Disclosure Regulation (SFDR).

Investment policy

The investment objective of Lumen Vietnam Fund is primarily to achieve long-term above-average capital gains by promoting certain ESG (i.e. environmental, social and corporate governance) characteristics and integrating sustainability risks into the investment process. This UCITS is a product pursuant to Art. 8 SFDR. The Lumen Vietnam Fund permanently invests at least 51% of its assets directly in equities and securities (stocks, etc.) issued by companies that are domiciled or carry out the major part of business activities in Vietnam, or holding companies that predominantly own participating interests in companies domiciled in Vietnam, which are each classified as sustainable on the basis of ecological, social and ethical criteria and thus take account of the principle of "sustainability and that are traded on a stock exchange. Companies that contribute to sustainable economic growth are characterized by good corporate governance, a sustainable product portfolio, and efficient handling of resources.

Legal disclaimer:

This marketing material was compiled by IFM Independent Fund Management AG with utmost care, to the best of its ability, and according to the principles of good faith. The product mentioned in this marketing material is domiciled in Liechtenstein and this marketing material is issued by IFM Independent Fund Management AG, Landstrasse 30, 9494 Schaan, Liechtenstein.

None of the published data constitutes investment counsel or a recommendation of any kind. It is merely a summary of key characteristics of the fund and therefore should not be construed as being an invitation or an offer to purchase units.

This marketing material should be read in conjunction with the constitutive documents, and the basic customer information document (PRIIP-KID). The purchase of units of the fund is governed by the constitutive documents, and the KID as well as the latest annual report and, if already published, the subsequent semi-annual report.

Only the information contained in the above-mentioned documents is valid. The above-mentioned documents are available free of charge on a durable data medium from the management company, the depositary, the paying agents and at all representatives and distributors at home and abroad as well as on the website of the LAFV Liechtenstein Investment Fund Association at www.lafv.li. If so requested by the investor, the above documents can also be provided on paper free of charge. Further information about the fund is available online at www.ifm.li and from IFM Independent Fund Management AG, Landstrasse 30, FL-9494 Schaan, during business hours.

The historic performance of a unit is no guarantee of similar current and future performance. The value of a unit may rise or fall at any time. No guarantee can be given that the envisaged investment objective of the fund can be attained.

The value trend shown in this marketing material does not take into account the commissions and fees that are payable at issue and redemption. Individual costs such as charges, commissions, and other remuneration are not taken into consideration and would have a negative effect on the value trend if considered. No liability can be assumed for errors and omissions contained in this fact sheet.

Potential investors should inform themselves about possible fiscal consequences, legal prerequisites and possible foreign exchange restrictions or control mechanisms that apply in their country of citizenship, residence, or current domicile and that might be relevant as regards buying, holding, exchanging, redeeming, or selling units. Further fiscal implications are described in the constitutive documents.

The fund units may be offered for sale or sold only in jurisdictions where such offers or sales are permissible. In particular, in the United States of America (USA), the units were not registered pursuant to the United States Securities Act of 1933 and can therefore be neither offered nor sold in the USA and neither offered nor sold to US citizens.

This document and the information it contains may not be distributed in the USA. The distribution and publication of this document as well as the offer or a sale of units may be subject to restrictions in other jurisdictions as well.

This marketing material is provided only for information purposes and for the exclusive use of the recipient. Without the written consent of IFM Independent Fund Management AG, this marketing material may not be fully or partially copied, nor duplicated, nor distributed. The published information constitutes neither an invitation nor an offer nor a recommendation to purchase units of the fund.
