Credit Card Point Redemption via @ccess Mobile Application

Point to Invest ... Redeem your credit card points
to invest in any of Krungsri mutual funds.

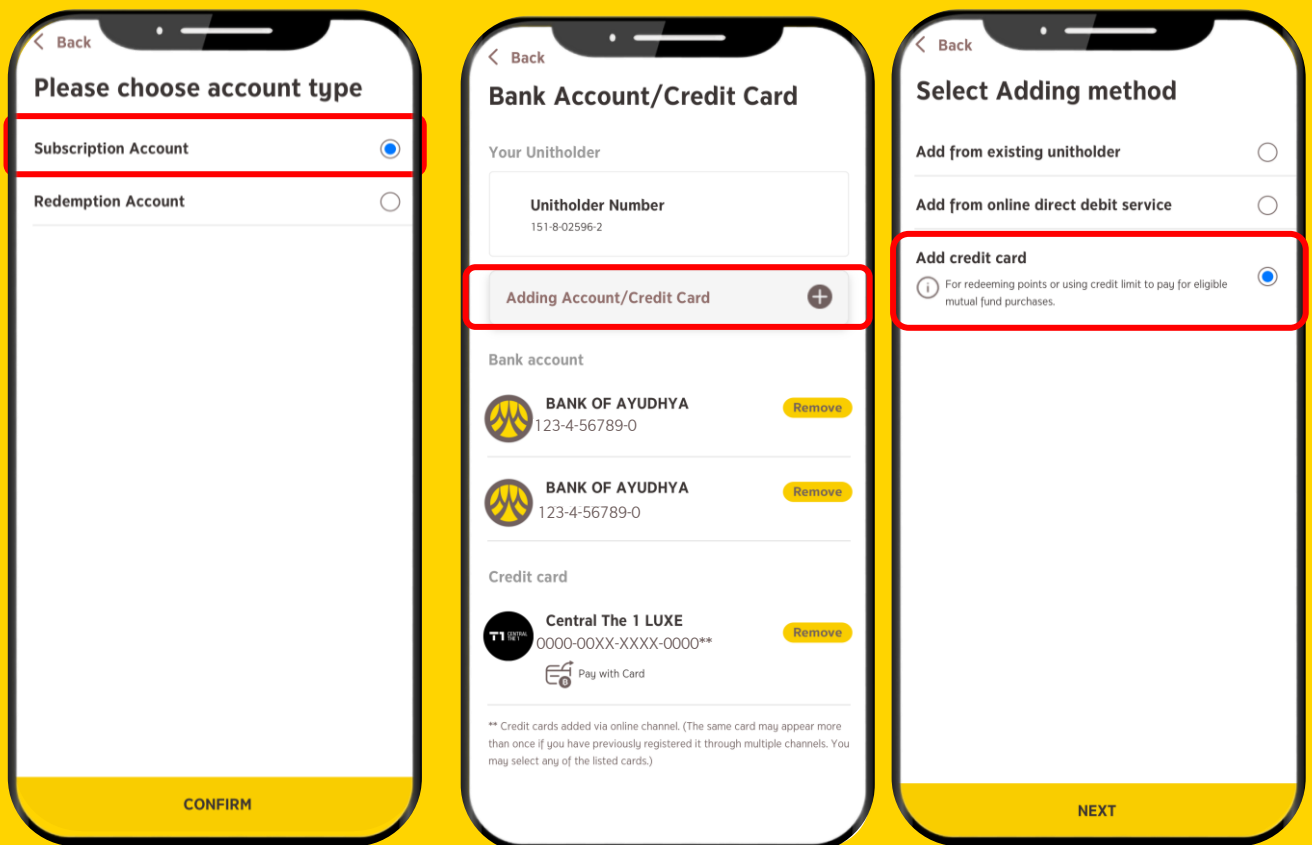

POINT
to **INVEST**

1. Credit Card Registration

1.1 Go to Settings, select "Bank Accounts/Credit Card," and choose the unitholder number you wish to use.

1.2 Select the account type for subscription, then tap "+" to add an account and select "Add Credit Card."

1.3 Read and accept the terms and conditions of service, then tap "Next." You will be redirected to the credit card system.

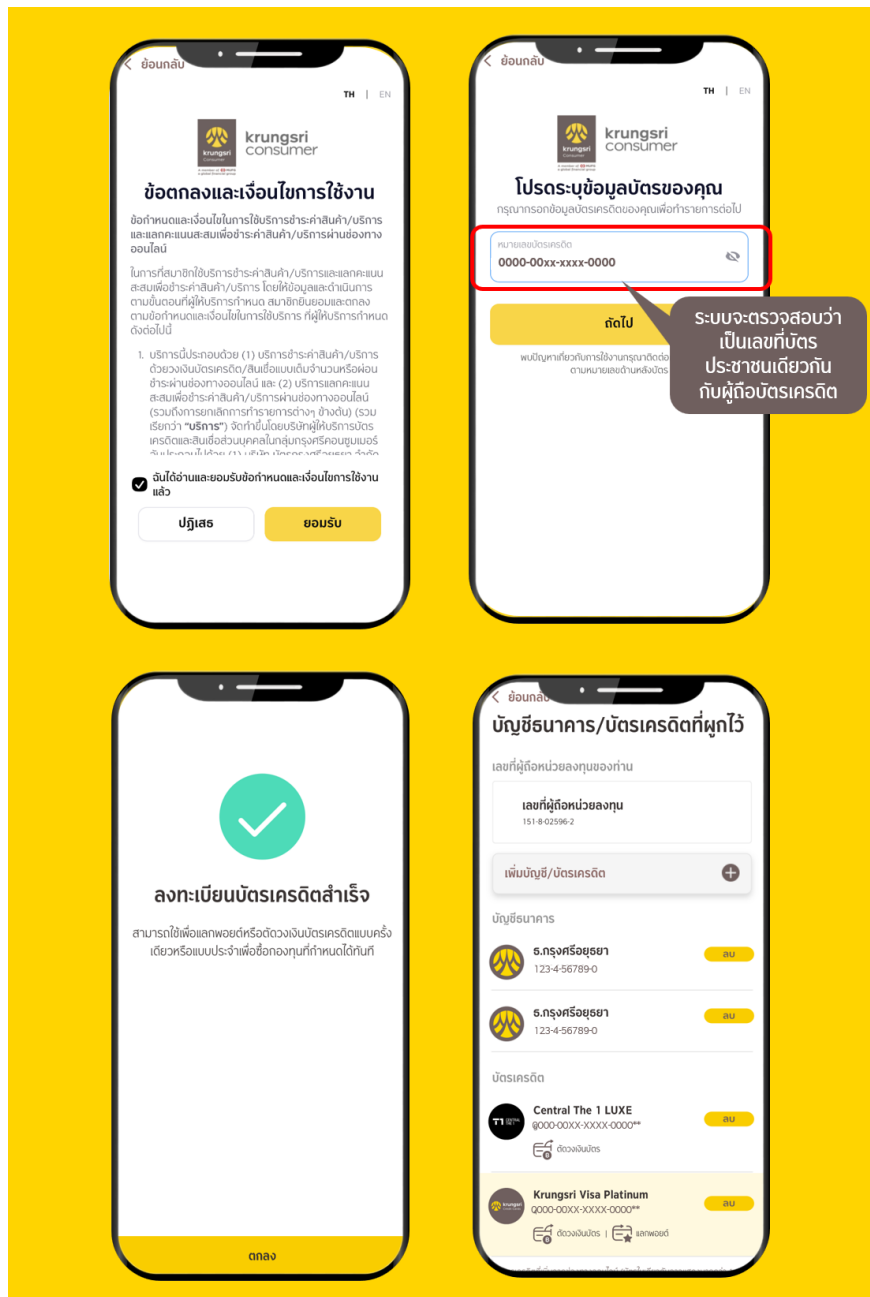

1. Credit Card Registration (cont'd)

1.4 Enter your credit card number. The system will verify that the ID card number of the credit cardholder matches the one registered with the fund account.

1.5 Enter the card's expiry date and CVV, then verify the transaction using the OTP sent to the mobile number registered with your credit card issuer.

1.6 The system will display the card-linking result and return you to the Linked Bank Accounts/Credit Cards page for the selected unitholder number.

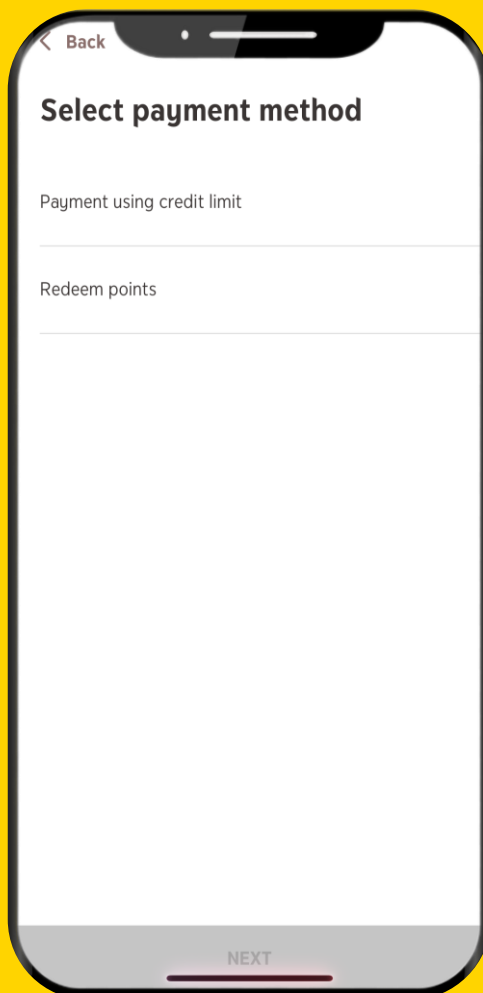

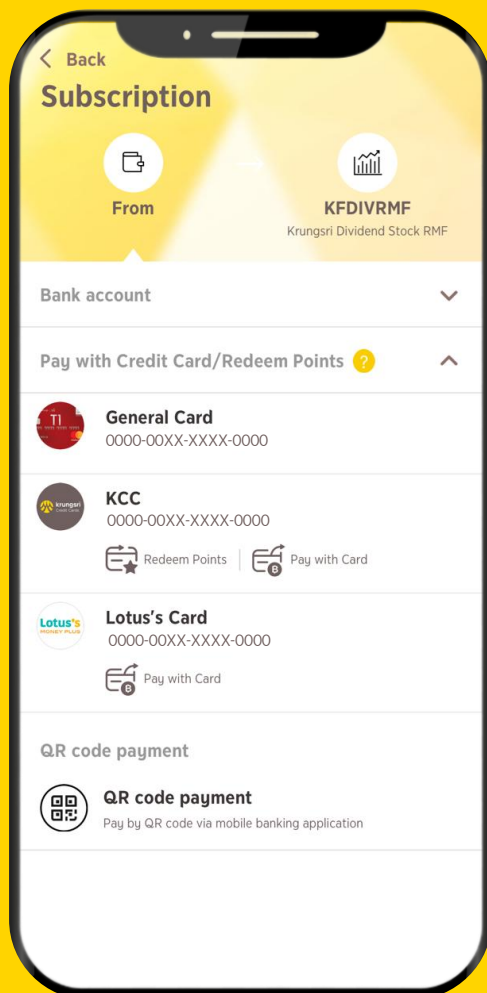

2. Points Redemption

2.1 From the "Subscription" menu, after selecting the desired unitholder number and fund, select a credit card marked with the "Redeem Points" icon as the payment account.

2.2 Read the terms and conditions to redeem Credit Card Point for fund units' purchase, then enter the purchase amount or the number of points you wish to redeem. Points redemption transactions cannot be scheduled in advance.

Note: Linked credit cards can be used to pay for investment unit purchases. However, points can only be redeemed with Krungsri and First Choice credit cards, subject to the terms and conditions of the respective credit cards.

2. Points Redemption (cont'd)

3. Confirm the purchase amount and transaction. The system will display the transaction result and provide a transaction slip.
